Mythogoria: Undead Academy

A Dark Academia Coloring Book

Alessandra Fusi

A darkly captivating collection of nightmares to color

Summary

In *Mythogoria: Undead Academy*, no one gets out alive. This collection of tantalizing and terrifying illustrations captures the alluring nightmares of academia. With more than 40 moody and macabre illustrations of zombies plaguing dusty haunted libraries, pent up curses in hidden rooms waiting to be unlocked, and sinister professors with deadly secrets to share, advanced colorists can be horrified and delighted by a familiar hellscape.

In *Mythogoria*, the astonishing beauty and detail of *Mythographic* takes on a dark veil. Complete with surreal, scary, and entrancing original illustrations of unmatched detail, this series combines a passion for creative art with a predilection toward the gruesome.

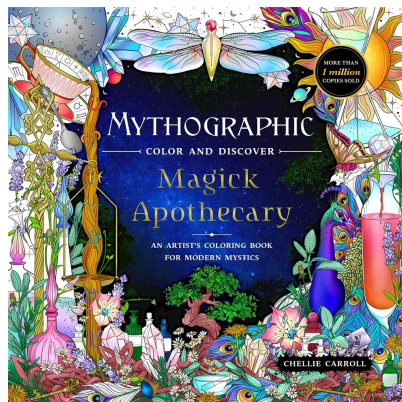

Contributor Bio

The Spooky Doodle Club Coloring Book

A Collection of Creepy Cute Oddities and Ghoulish Friends

Elaina Smith

Calling all lovers of eerie beauty to a weird and wonderful coloring community!

Summary

Enter a delightfully dark world of pretty poisons, blood crystals, moon bunnies, freaky frogs, magical moths, mystical mushrooms, beautiful body parts, and haunted trinkets. Each collage-style page of this coloring book is packed with hand-drawn details waiting to be brought to life (maybe even back from the dead) with a rainbow of colors. Discover unconventional beauty (à la Wednesday Addams) with a mix of sinister and strangely heartwarming art.

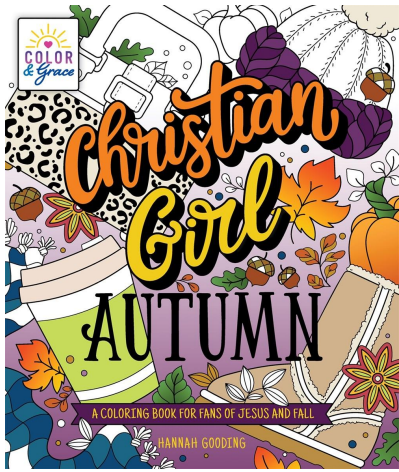

Contributor Bio

ELAINA SMITH is the founder of an untraditional but successful club: The Spooky Doodle Club. When she began sharing her spooky doodle art on social media in 2019, a community of doodle lovers surrounded her with support to keep creating her quirky art. Now, Elaina has more than 44,000 sales on Etsy and a growing number of followers on her social platforms. Her creepy-cute style resonates with those who see the world just a little differently and look for wonder and strength in unusual places.

Color & Grace: Christian Girl Autumn

A Coloring Book for Fans of Jesus and Fall

Kimma Parish, Hannah Gooding

A Christian coloring book to celebrate the comforts of the cozy season and the warmth of Jesus's love

Summary

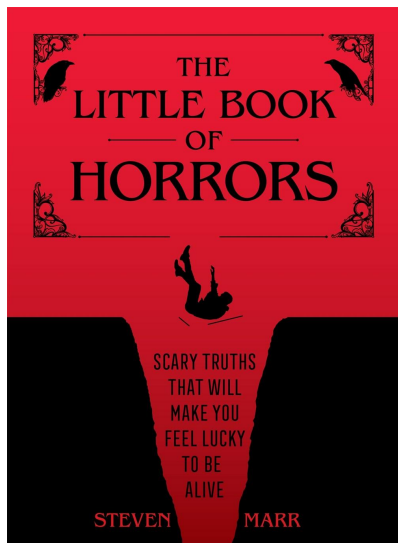

Modern Christian women lead busy lives and always put faith and family first—but that doesn't mean they don't need to unwind with a clever coloring book that celebrates all the good gifts in this life (cozy socks, anyone?) and the Jesus they can turn to anytime (yes, even *then*) to keep them sane. This coloring book offers sassy sayings, fun Scripture references, and pretty illustrations that honor the joys and struggles of contemporary family life while encouraging time for faithful self-care and Sabbath.

Contributor Bio

HANNAH GOODING is a writer, youth group leader, and essential oil devotee. She counts among her blessings quiet evenings on her Texas porch with her husband and daughter and early mornings with feisty chickens.

The Little Book of Horrors

Scary Truths That Will Make You Feel Lucky to Be Alive

Steven Marr

A thrilling compendium for the morbidly curious

Summary

The Little Book of Horrors is an exhaustive list (in a friendly handbook size!) of all the things that keep the Grim Reaper employed, from nuclear war and poisonous spiders to stabby clowns. Most people won't die by decapitation or suffer an eye worm infection, but mischievous and morbid readers will be curious to know what would happen if they did. Now thrill-seekers and horror-lovers can keep it all in perspective with *The Little Book of Horrors*. Each page offers a healthy jolt of terror and a glimpse of the dark truths that keep everyone up at night. This fun little book is the twisted daily reminder that everything could be so much worse.

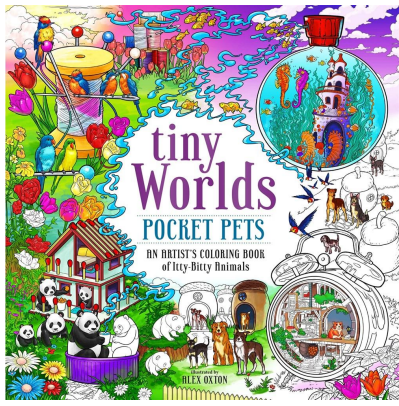

Contributor Bio

STEVEN MARR is a freelance writer and journalist who moonlights as a trivia enthusiast and eager consumer of the kind of book that is in your hand. When not scouring dusty stacks of used reference books, he can be found at the nearest Kubrick retrospective.

Tiny Worlds: Pocket Pets

An Artist's Coloring Book of Itty-Bitty Animals and Wee Furry Friends

Alex Oxton

A new and irresistible approach to the tiny trend!

Summary

Tiny Worlds: Pocket Pets takes the tiny toy and craft obsession to a vast audience of animal lovers. In this new edition of the popular series, advanced colorists are treated to an imaginary wonderland of teensy little cats and dogs small enough to sleep inside teacups, curl up in flowers, ride in pockets, and frolic on the tip of a finger. In each of the 47 illustrations is a wee and wonderful creature drawn in elaborate detail, with a setting full of magic and artistry.

Contributor Bio

ALEX OXTON, who grew up watching Doctor Who and playing copious amounts of video games, is a children's book illustrator with an enduring fascination for all things sci-fi and fantasy. They live in Brighton, England amongst a growing collection of modded retro games consoles, and two mischievous cats, Zira and Crowley.

One Question a Day Planner

365 Prompts for a Meaningful Year

Aimee Chase

Self-discovery and joyful pauses should always be part of the plan!

Summary

The *One Question a Day Planner* lies in the comforting space between relaxation mode and grind mindset. This simple, oversized, undated weekly-to-do planner offers a bonus journal question each day, just like the quippy questions from the popular *One Question a Day* journal series. With space at the beginning of each week to set personal goals and manifest success or jot down any self-realizations, it's easy for readers to snap out of get-it-done mode, relax, take in the feelings, and embrace the glimmers—those microbursts of joy we all need to thrive.

The Happiest Dog on the Block

Canine Enrichment Activities to Keep Your Pet Young and Healthy

Taylor Finton

A fun, friendly resource for pup parents looking to boost their dog's playtime and health

Summary

TikTok is full of creative ways to stuff a Kong. But that's just the tip of the tail-wagging iceberg when it comes to keeping your furry friend entertained and feeling their best, all while having a blast together! From DIY puzzle toys to backyard adventures, *The Happiest Dog on the Block* is packed with easy activities designed to keep dogs exercised, engaged, and entertained for a happier and healthier life by their owner's side. Taylor and her spunky canine companions Bindi and Rosie prove that you don't need a PhD in dog training or a fortune in fancy toys to:

- Banish boredom
- Promote puppy zen
- Keep those canine minds sharp
- Ease home-alone anxiety
- Sneak in some stress-free exercise

No matter if the dog is the size of a teacup or a gentle giant, whether they're a puppy tornado or a seasoned couch potato, this book includes the perfect games, challenges, and treats for every pup in five diverse enrichment categories. Dog lovers can get ready to see an immediate change in their dog's behavior, stronger bonds with their four-legged companions, and their vets' nods of approval!

Contributor Bio

TAYLOR FINTON deeply loves words and dogs. She found her passions intersect when she adopted two rescue pups six months (Bindi and Rosie) apart in 2019 and began to research canine enrichment. Bindi's Bucket List, an online platform with a focus on creative canine enrichment activities, was born. Taylor brings the best of owner and expert perspectives to share practical ideas that bring happiness and calm confidence to both dogs and their households.

100 Days to a Stoic Mind

A Roadmap to Resilience and Finding Peace in Discipline

Ida Noe

A daily method of harnessing strength and finding peace in discipline

Summary

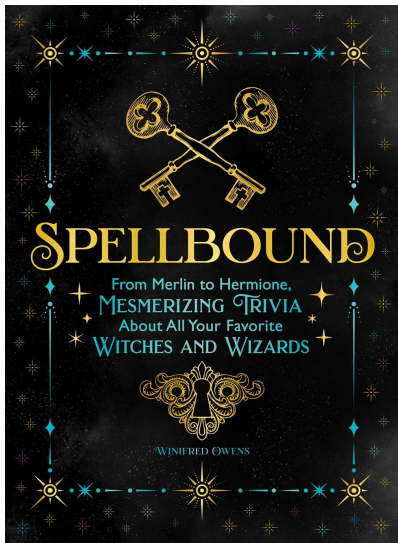

When the axiom that “nothing is guaranteed” rings truer now than ever—and to millennials and Gen Z alike—it’s no surprise that stoicism is taking hold as a modern mindset. Look no further than the millions of listeners to podcasts like Ryan Holiday’s *The Daily Stoic* and disciples of Mark Manson’s stoic-adjacent *The Subtle Art of Not Giving a F*ck*.

100 Days to a Stoic Mind is a daily devotional with the writings of the greatest Stoic thinkers, along with tidbits of historical context, all wrapped up in a promise of self-improvement through study of this ancient philosophy. This compendium of Stoic meditations helps readers acknowledge logic and reason in their own lives, prepare for or even embrace negative outcomes, and understand that wisdom and peace are in the journey. Each meditation features useful tools and questions to ponder that help modern stoics to look inward, gain resilience, and follow the Stoic path.
